MAINTENANCE WORK ON INTERSTATE 430 BRIDGE EXTENDS INTO NEXT WEEK

LITTLE ROCK (3-19) Crews repairing a median barrier wall glare screen on the Interstate 430 Bridge near North Little Rock will require a lane closure again next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure will be located on the North Little Rock side of the Interstate 430 Bridge, between Milemarkers 9 and 12.

The work will require the southbound, inside lane to be closed on Monday, March 22nd, weather permitting. The lane closure will be in effect from 9:00 a.m. to 3:00 p.m. that day.

Motorists should exercise caution when approaching and traveling through all highway work zones.
